

Expectations for Students

-POLICY-

The Board Education believes that students should learn and have the opportunity of practicing those skills that lead to vocational and academic success. These include:

1. Good work habits
2. Promptness
3. Regular attendance
4. Good behaviour

Schools will be informed that the Board of Education places a high priority on these areas and students will be expected to strive for high standards in each area.

Where necessary, policies and/or regulations will be developed to encourage high standards.
