MEMORANDUM

TO: **Parents/Guardians**

FROM: **Stephen McNiven**
Superintendent of Schools

RE: **Inclement Weather Information**

DATE: **January 5, 2016**

The safety of students is a top priority for the district and as a result due to weather conditions it is sometimes necessary to cancel bus pickup and delivery, and in severe situations close schools. If this were to occur, information regarding these disruptions will be provided to local radio stations, posted on the School District's Website and Twitter. In the case of a bus route being canceled the District will also notify parents/guardians through an automated phone call.

It is our hope that weather conditions this year do not dictate any cancelation of bus routes or closures of schools, but it is important to be prepared. We encourage all parents to check our District Web Page (www.sd58.bc.ca) and if possible follow us on our Twitter account (School District 58) for up to date information.

If you have any questions, please contact the School Board Office at 250-378-5161.
