Essential Worker Designation Form

School District No. 58 (Nicola-Similkameen) is following the direction of the Ministry of Education to develop a plan for providing on-site educational instruction for children of essential workers.

At this time, we are looking to **potentially** open up our service to extend beyond our current Tier 1 mandate and are thus asking families to let us know if you are an Essential Service Worker in other Tiers in need of assistance.

On-site educational instruction for children of essential workers applies to students in Grades K-5. (Ages 5-12 years old)

If you are an essential service worker, and you are requesting to have your child(ren) considered for on-site educational programming on the days you have no other options, please complete this form.

It is important that essential service workers exhaust all possibilities for supervision of their children before accessing the essential services school. This will help the District in its efforts to safely apply health and safety protocols as defined by the Provincial Medical Health Officer.

Please be aware, depending on available District resources, essential worker status may need to be prioritized.

Please submit your application to schenoweth@365.sd58.bc.ca by 4:00 pm on Friday, April 17, 2020.

Student(s) Information:

Student First and Last

Name: _____

School: _____ Grade: _____
