NOTE:

Each sight word is designed to print out on **standard labels (size 5163/8163)**.

For ease of use these are designed to fit recipe cards which can then be repeatedly used in games and activities.

USING KEY WORD RINGS

Materials

- Label sheets 5163 or 8163 for printing sight words
- Rings that will hold 10 cards (shower curtain rings work fine)
- Sight word envelopes divided into sets of 10
- Stickers

Process

1. Assess children to determine where they start in the progression of sight word mastery.
2. Put their 10 cards from the envelope onto key word rings with the child's name on it on a colored card. (Get children to decorate the card with their names.) Have a place to hang the cards.
3. Set up sight word games that can use each child's sight words (snap, practice activities between peers. Children practice their 10 sight words daily. As children master each word put a sticker on the card or sign it. Remember that children need to be able to use the word in a sentence and find it in a book as well.
4. Once each set of 10 cards is mastered the cards get sent home for practice with parents.
5. Mastery is noted on the *Circle Charts*.
6. The next set of cards is loaded on the ring. (etcetera)
