Good morning,

This morning the Puppy Bus was involved in a minor vehicle incident while six students were on board. We are pleased to report that the incident resulted in no injuries to any students or the bus driver. The bus sustained minor damage and district staff were able to deploy another school bus and safely transport students to their respective schools. Each of the six families have been contacted by the school district. Management would like to express its gratitude for the unified effort that went into a swift response, ensuring students were safe and able to attend school. Please contact the Secretary Treasurer, 250-378-5161, for any follow up queries.
