

POLICY 1.51 BOARD LIAISON ASSIGNMENTS

The Board of Education may assign trustees to represent the Board within the district and the community through trustee liaison assignments.

The liaison role is limited to speaking only for what the Board has already decided, to receive input and to bring matters back to the Board for consideration.

Liaison assignments for individual trustees provide an opportunity for increased communication with school communities and organizations.

The purpose of trustee liaison assignments is to:

- Provide opportunities for trustees to become acquainted with schools and act as a representative when necessary.
- Provide opportunities for engagement with organizations.
