SEAMLESS DAY CHILDCARE

BEFORE & AFTER SCHOOL CARE

LICENSED BEFORE AND AFTER SCHOOL CARE:

- Program costs \$450/month - **however** our childcare center is in receipt of the CCOF and CCFRI funding which helps to provide **added** discounts.
- We will also accept the Affordable Childcare Benefit which can be an added support for families who qualify.
- We are open Monday to Friday on school days
- 7:30am start time and end time 5:30pm
- SD58 Child Care Program follows the school calendar and therefore will be closed on all professional development days, statutory holidays and all school holidays/breaks (Spring Break, Winter Break and Summer Break)

DIAMOND VALE ELEMENTARY

The Seamless Day Program is a Pilot project and it's intent is to create a seamless (smooth) day for kindergarten students by offering before- and after-school care within kindergarten classrooms.

Please Note: This is a fee-based program and registration is required.

Our facilities have applied for CCOF and CCFRI Funding.

This means that added discounts may apply.

You may also be eligible for the Affordable Child Care Benefit. Please go to: www.gov.bc.ca and enter Child Care Benefit in the search bar or ask our ECE's for support.

***We gratefully
acknowledge the financial support of the Province of
British Columbia through the Ministry of
Education and Child Care***
