

# Early French Immersion Kindergarten 2025 Registration

Kindergarten establishes a strong foundation for lifelong learning, as teachers provide dynamic, play-based opportunities to help each child grow and learn. Our child-centered programs develop a sense of well-being and belonging and offer opportunities for exploring, creative play, developing language and literacy while focusing on social responsibility and cultural diversity.

Kindergarten provides our young learners with an enriched learning experience at their own unique developmental level. We look forward to working with each Kindergarten child's family as we welcome you to your child's new school community.
