

POLICY 3.20 ADMISSION OF FEE-PAYING STUDENTS

The Board of Education recognizes that on occasion, out of province and out of country families that are not ordinarily resident in British Columbia may wish to have their children attend a school in the district.

The Board authorizes the Superintendent of Schools to admit a limited number of students on a fee-paying basis and in no case shall a fee-paying student displace programming for ordinarily resident students. The final determination for admission of fee-paying students shall be the responsibility of the Superintendent of Schools.

Guidelines

1. The annual tuition fee shall be established by the Secretary Treasurer commensurate with provincial funding.
2. Payment of the tuition fee must be made in advance to the District.
3. Fee-paying students enrolled into the school district are expected to have proficiency in English and academic ability such that additional services are not required. Additional tuition fees may apply for those students with requiring English language support.
4. Any boarding fees are additional to tuition and shall be paid by each fee-paying student directly to the home stay family.
